Global Leadership

Delivering the right solutions to meet ever-evolving demands

For more than a century, the name Chicopee® has been synonymous with unrivaled expertise inventing technologies, developing new wiping applications.

Today, Chicopee continues to uphold its legacy of innovation by bringing you a full line of wiping product solutions that support your industrial demands.

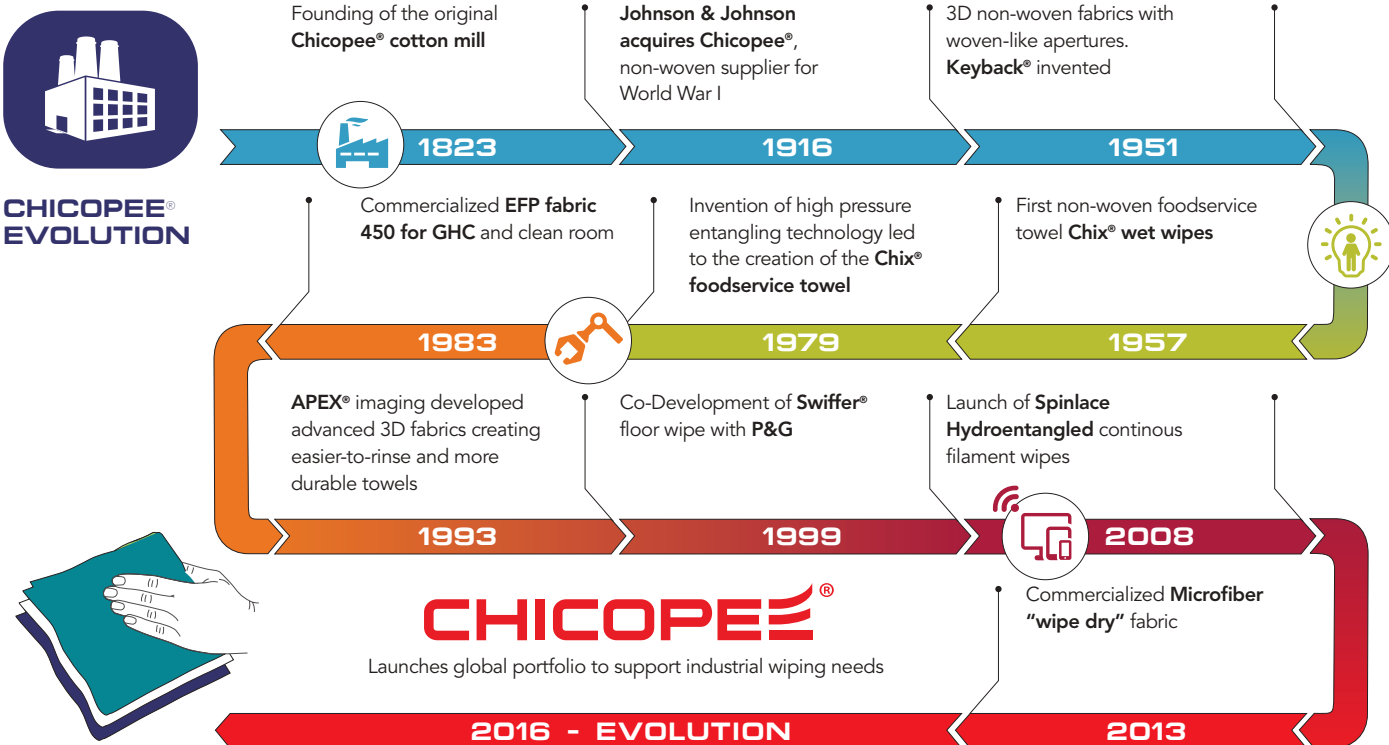

With innovative products engineered for strength and absorption, Chicopee's industrial towels help support your toughest wiping challenges associated with grease, grime and oil. Whether you are looking for a more effective option for extended-use shop towels or a more durable option than cotton or paper towels, Chicopee has what you need. At Chicopee, we are committed to supporting your business with products that are designed to help improve productivity and efficiency while helping to maintain a safer and healthier workplace.

INDUSTRIAL REVOLUTION

- FIRST** Through the introduction of mechanical production facilities with the help of water and steam power
- SECOND** Through the introduction of a division labor and mass production with the help of electric energy
- THIRD** Through the use of electronic and IT systems that further automate production
- FOURTH** Through the use of cyber-physical systems

Time

Spinlace® & APEX® Technologies

Drives Enhanced Performance for Durawipe Heavy, Medium & Light Duty Wipers

Performance Driven

Spinlace® technology is an advanced hydro-entangling process used in our Durawipe® Heavy, Medium, and Light Duty Wipers. Durawipe® Wipers are engineered to deliver cloth-like feel with improved performance versus the leading competitive industrial wiper.

We put our Chicopee® name on every wiper with True Confidence that the wipers will perform in your operation.

30% stronger

Up to 20% more absorbent

50% more abrasion resistant

Reduced linting

"Are your cleaning supplies meeting the demands and cleanliness goals of your facility?"

The challenge becomes whether or not you have the right tools to meet the growing emphasis on safer, cleaner and sustainable practices within your operation and industry.

Your facility's cleanliness is directly related to product efficiency, machine performance, safety issues in a plant and finished product quality. Your need for cleaning for efficacy and efficiency has been the driver for the innovation of cleaning technology. Disposable wipers are one cleaning innovation that helps provide a facility with clean and sustainable solutions.

The Chicopee Solution

Chicopee offers the right Wiper for your cleaning needs

Chicopee has the broadest line of industrial wipers that are engineered to deliver the strength and efficiency you need from the removal of grease and grime on machinery, to fingerprints on a chrome grille. Whether you are looking to support a 5S system, adopt lean manufacturing methods or trying to create a more sustainable environment through the decrease of water and energy consumption in the workplace, Chicopee offers the right Wiper for your cleaning needs.

DURAWIPE® Shop Towels

Premium shop towel - **Longest lasting, most durable**

Twice as strong as the leading wiper, Durawipe Shop Towels are ideal replacement for laundered shop towels and for use in heavy duty general purpose applications. It's enhanced performance and thickness allows for superior oil and water absorbency, substantial draping for ease-of-use and are ideal for managing grime pickup on rough surfaces. Tear resistant and designed to wash and use repeatedly, these towels are easy to rinse and low linting proving the ultimate performance for your toughest wiping needs.

DURAWIPE® Medium Duty Industrial Wipers

36% stronger than the leading medium-duty wiper

Engineered with Spinlace® technology a unique triple-layer construction, these wipers are highly absorbent with both oil and water. Durawipe Medium Duty Industrial Wipers are known for their exceptional absorbency and strength replacing the need for rags. These wipers are tough enough to clean-up messy spills, but gentle enough to clean your hands and face.

Features & Benefits

DURAWIPE® Light Duty Industrial Wipers

Effective cleaning with less waste

To view our full product range visit www.chicopee.com

Designed for multi-purpose cleaning, Durawipe Light Duty Industrial Wipers are ideal for the removal of light liquids and solvents. Engineered with Spinlace® Technology, a unique triple-layer construction, these wipers offer cloth-like feel with strength and absorbency. An economic alternative to rags and paper towels, these wipers offer you an effective way to clean without the excess waste.

Chicopee® S.U.D.S.® Towels - Single Use Dispensing System

S.U.D.S.® towels are engineered to yield superior liquid absorption and debris pick-up. Add your own cleaning or sanitizer solution to the roll of towels in the dispenser to keep your industrial work area clean and hygienic.

Superior Sanitation - Maintains your Quat (quaternary) or chlorine concentration and effectively deliver it to the surface.

Lower Cost-Per-Use - Up to 50% Less cost per use compared to cotton and pre-saturated towels.
